

Our Consequences of Unhygienic Behaviour course is a highly visual programme designed to provide petfood processing staff with the hard-hitting realities of bacterial growth which results from poor hygiene practices. This course has been designed to be easy to understand so that attendees have a clear appreciation of how their behaviour at work directly affects product safety.

KEY BENEFITS

- › Easy to understand and straightforward.
- › Ensures attendees have a clear understanding of the consequences of poor hygiene practices.
- › Regulatory hygiene requirements are put into a practical context.
- › Trainees are able to suggest improvements to their workplace
- › The Trainer can customise the course on delivery so examples are applicable to the plant.

WHO SHOULD ATTEND

- › Process workers
- › Supervisory staff
- › Any person who designs operational systems
- › Internal auditors

NZQA UNIT STANDARDS ACHIEVED

- › 20202 - Demonstrate knowledge of post-mortem examination hygiene requirements for petfood processing (3 credits).
