Special Conditions :

1. Samples of plant material must be imported in accordance with the import health standard "Dried and Preserved Plant Material and Plant Material for Research," with particular focus on Part 5.3. The standard is available at the following website: <https://www.biosecurity.govt.nz/dmsdocument/1653>

2. Samples of water must be imported in accordance with the import health standard, "Soil, rock, gravel, sand, clay, and water," with particular focus on Part 2.1. The standard is available at the following website: <https://www.biosecurity.govt.nz/dmsdocument/1651>

3. Primary packages of the consignments must not be opened at the border and instead must be directed to the transitional facility listed on this permit.

4. Propagation of plant material imported under this permit is not allowed.

IMPORTANT INFORMATION FOR PERMIT HOLDERS AND AGENTS

- 1 This permit, and compliance with the provisions of the specific import health standard(s) and/or entry conditions, does not guarantee that the goods you import will be given biosecurity clearance. There are other restrictions in sections 27 and 28 of the Biosecurity Act 1993 which apply to the giving of biosecurity clearance. The Biosecurity Act may be accessed at www.legislation.govt.nz
- 2 You will need to ensure that the goods you import comply with the provisions of the specific import health standard(s) and/or entry conditions that are applicable. The import health standard may be amended during the course of your permit. Import Management will notify you of any significant changes to the import health standard and will re-issue the permit to accommodate these changes.
- 3 There are a number of other provisions in the Biosecurity Act 1993 which may affect you. If you commit an offence against the Biosecurity Act 1993, heavy penalties under section 157 of the Act might apply.
- 4 Apart from the Biosecurity Act 1993, there are other laws relating to or prohibiting the importation of goods. This permit, and compliance with the provisions of the specific import health standard(s) and/or entry conditions, does not absolve you of the need to comply with these laws.
- 5 Unless specifically identified in 'Description of Items' or 'Special Conditions' of the permit, NO new organisms, including genetically modified organisms, are permitted entry under this permit.
- 6 All cultures must be:
 - clearly labelled with the scientific strain and name
 - consigned in leakproof packaging
 - free from contaminants
- 7 All new organisms must not be opened until received by the nominated containment facility.
