IHSs can be viewed via the MPI website:

<https://www.mpi.govt.nz/legal/compliance-requirements/ihs-import-health-standards/>

Samples imported under this permit are for microbiological testing and therefore must be imported in accordance with the Import Health Standard “Microorganisms from all countries”, which is available at the following link:

<https://www.biosecurity.govt.nz/dmsdocument/1933>

Samples listed on this permit are eligible for import under clause 6.3 of the above Import Health Standard.

Important Information for Permit Holders and Agents

1. This permit, and compliance with the provisions of the specific import health standard(s) and/or entry conditions, does not guarantee that the goods you import will be given biosecurity clearance. There are other restrictions in sections 27 and 28 of the Biosecurity Act 1993 which apply to the giving of biosecurity clearance. The Biosecurity Act may be accessed at www.legislation.govt.nz.
2. You will need to ensure that the goods you import comply with the provisions of the specific import health standard(s) and/or entry conditions that are applicable. The import health standard may be amended during the course of your permit. The Ministry for Primary Industries will notify you of any significant changes to the import health standard and will re-issue the permit to accommodate these changes.
