Return your completed plan below along with the Crop Registration Form by the 30th June or three weeks after the crop was sown. An aerial plan of the property, clearly identifying each paddock should be supplied if available (in place of completing a farm plan below). An alternative is to print a plan of your property from Google Earth or Google Maps, and clearly identify each paddock on the print out. Please show compass direction due north, mark major roads and the direction of the major town.

Grower Name**Property Name****Farm Plan showing all paddocks and crops requiring inspection.**

Please return all forms by the 30th June, to: Fax: (03) 8318 9001
